## Q™ Eno Engine Oil SAE 15W - 40

### Description

Q™ Eno Engine oil SAE 15W - 40 by Hexagon, is an Ultra High Performance (UHPD) Diesel Engine lubricant. Its special blend of additives offers reduced emissions and superior engine performance. It is suitable for all types of heavy duty diesel engines complying with the latest low emission regulations (EURO III, EURO IV and EURO V). The product provides extended oil change intervals [LONG DRAIN] and exceptional engine protections and at the same time reducing maintenance costs.

### Applications

Q™ Eno Engine oil SAE 15W - 40 by Hexagon, is recommended to be used in all new technology engines for trucks, agricultural and construction equipment. It is suitable for all heavy duty diesel engines where the manufacturer recommends a high performance lubricant according to the latest specifications. It is highly recommended for long haul trucks as well as stationary diesel engines where long drain intervals are required.

### Advantages

- Long Drain Intervals.
- Saving benefits in time and maintenance costs.
- Reduced emissions.
- Smooth starting and flow at low temperatures.
- Exceptional protection against wear and corrosion.
- High Shear Stability
- Effective protection against black sludge formation.
- Excellent protection against deposit formation at high temperatures.
- Ensures long engine life.
